

Dear Exhibitor,

Welcome to the 26th Annual *See Your Future – Education & Career Fair*! You will find the information that you need during the event included in this letter.

Covid-19 Protocols

Our venues, TCU Place in Saskatoon and Evraz Place in Regina do not have any Covid 19 requirements. You may wear a mask if you choose.

Seminar Presentation Rooms

These rooms will be equipped with *Theatre Seating, Multimedia Screen* and *Power Outlet* for those who have registered in advance. **Please bring your own projector and laptop/tablet.** If you are presenting a seminar, please check the schedule in advance. There will be a 5-minute break between sessions. In respect to fellow organizations on the schedule, keep your reserved time slot punctual – quickly set-up and take-down any equipment or material you are using for your presentation.

Display Booths

A program with floor plan and exhibitor list for both the Saskatoon and Regina events is included in this package. Booths will be marked with your corresponding number on the exhibitor list. You may begin set-up on the morning of the event between **8:00am** and **9:30am**. The *See Your Future* volunteer team will be on-site during this time to accommodate any questions. This service that *See Your Future* provides to the students of Saskatchewan is important – for this reason we ask that all booths remain open from **9:45am** to **3:00pm**.

Exhibitor Lounge

Lunch service for Exhibitors will be hosted on-site. The staff at each venue will deliver lunches to your booth. They have been provided with the number of lunches to each booth. There will be a variety of options available on the delivery carts. You may choose to eat your delivered lunch in the Exhibitor Lounge – these will be located in the **Blair Nelson Room** at **TCU Place** and in the **Coat Check Room** at the **Queensbury Convention Centre – Evraz Place**. Coffee/tea, juice and water will be available throughout the day in these rooms.

Exhibitor Materials

If you have arranged to have your clearly marked materials shipped through Handy Special Events (**Saskatoon**) and Showtime (**Regina**), these will be delivered to your booth. If you have arranged to bring your materials with you, please contact one of our volunteers to get direction within the venues. Please ensure that all materials and any refuse are collected after the end of each event.

If you have any questions, please contact one of our volunteers at reception.

All the best!

Tracey Kowalchuk - Director

EDUCATION & CAREER FAIR

Thank you to all who have participated in our events in 2023. It has been a challenging few years and it feels great to have you all back and trying to recover in so many ways. We appreciate your attendance and willingness to ride the wave. Most importantly, thank you for supporting our students to find their career pathways.

With appreciation,

Tracey Kowalchuk & the SYF Volunteer Team
