Dear Exhibitor,

Welcome to the 29h Annual *See Your Future – Education & Career Fair*! You will find the information that you need during the event included in this letter.

Seminar Presentation Rooms
These rooms will be equipped with *Theatre Seating*, *Multimedia Screen*, *Projector* and *Power Outlet* for those who have registered in advance. **Please bring your own laptop or tablet**. If you are presenting a seminar, please check the schedule in advance. There will be a 5-minute break between sessions. In respect to fellow organizations on the schedule, keep your reserved time slot punctual – quickly set-up and take-down any equipment or material you are using for your presentation.

Display Booths
A program with floor plan and exhibitor list for both the Saskatoon and Regina events is included in this package. Booths will be marked with your corresponding number on the exhibitor list. You may begin set-up on the morning of the event between **8:00am** and **9:30am**. The *See Your Future* volunteer team will be on-site during this time to accommodate any questions. This service that *See Your Future* provides to the students of Saskatchewan is important – for this reason we ask that all booths remain open from **9:45am** to **3:00pm**.

Exhibitor Lounge
Lunch service for Exhibitors will be hosted on-site. The staff at TCU Place will have a narea where you can pick up your lunch. At QCC the staff will deliver lunches to your booth. They have been provided with the number of lunches to each booth. There will be a variety of options available on the delivery carts. You may choose to eat your delivered lunch in the Exhibitor Lounge – these will be located in the **Blair Nelson Room** at **TCU Place** and in **Room C** at **the Queensbury Convention Centre – REAL District**. Coffee/tea, juice and water will be available throughout the day in these rooms.

Exhibitor Materials
If you have arranged to have your clearly marked materials shipped through Handy Special Events **(Saskatoon)** and Showtime **(Regina)**, these will be delivered to your booth. If you have arranged to bring your materials with you, please contact one of our volunteers to get direction within the venues. Please ensure that all materials and any refuse are collected after the end of each event.

If you have any questions, please contact one of our volunteers at reception.

All the best!

EDUCATION & CAREER FAIR

A heartfelt thank you to all our exhibitors, students, teachers, and schools for being part of this year's See Your Future Education & Career Fair!

These events bring together people, opportunities, and ideas that help students explore the many possibilities ahead of them.

To our exhibitors, thank you for sharing your knowledge, experience, and enthusiasm. To our teachers and schools, thank you for making career exploration a priority and providing students with this valuable opportunity. And to our students, we hope today inspires you to ask questions, discover new interests, and explore the many paths your future could take.

It takes the participation and support of so many to make these events possible, and we are truly grateful to each of you.

Thank you for helping us inspire Saskatchewan's future!

With appreciation,

Tracey Kowalchuk & the SYF Volunteer Team
